

CRAFT

OF THE MONTH

The Arts Team publish a new Craft of the Month activity or program idea in every issue *Queensland on the Go*. For more craft ideas, instructions and videos head to the Girl Guides Queensland website guidesqld.org/craft.

MAY 2016

MOTHER DAY CANDLE

What you need

- Hairdryer
- Baking Paper
- Scissors
- Felt tip markers
- Wax Candle

What to do:

1. Cut baking paper into your desired size (so it can fit tightly around the candle)
2. Draw/Colour your design on the matt side (wax side down)
3. Wrap your design around your candle - ask a friend to hold it in place while you;
4. Wrap another piece of baking paper around the outside of the candle (wax side down)
5. An adult will need to do this part. Use the hairdryer to heat up the baking paper. You will know that your design is complete when the wax has transferred onto the candle. Make sure you move the hairdryer constantly otherwise you will melt your candle.
6. Unwrap the candle and WOW! Your original designed candle is complete.
