JUNE 2016

CAMPFIRE BISCUITS

With biscuits at every hut I thought it would be nice to have an edible craft.

What you need

- Original Guide Biscuit
- Icing
- 6 white Mini Marshmallows
- 2 pink Mini Marshmallows
- 3 Gummi Bears
- 2 Chocolate Coated biscuit sticks

What to do:

1. Spread the icing onto the base of the biscuit
2. Place the 6 white mini marshmallows around the outside of the biscuit (this will make the campfire circle)
3. Place 3 Gummi Bears into the middle of the biscuit (these are the flames of the campfire)
4. Break the chocolate into 3 parts. The top 2 parts need to be of equal size
5. Stand the 4 equal sticks around the side of the biscuit (This will make the campfire pyramid)
6. With the remaining 2 biscuits place a mini pink marshmallow onto the end of the stick (These will be your roasting marshmallows)
7. Eat and enjoy
