MARCH 2016

EASTER SOCK BUNNY

What you need

- 1 x coloured sock
- 3 cups rice
- 2 x rubber bands
- 2 x googly craft eyes
- white felt
- small pieces of white and pink paper or felt (nose and teeth)
- 25cm of ribbon
- sharp scissors

What to do:

1. Use a funnel and a jug to fill the sock with rice. Three cups should be enough.
2. Now use the rubber bands to tie off a body section and then a head section respectively. You will need to leave a long section hanging over at the top, this will become the bunny's ears.
3. Cut out a piece of white felt and create a white belly for your bunny.
4. Now give your bunny some personality with eyes, a pink nose and some nice big white teeth.
5. Tie a ribbon at its neck.
6. Cut the top overhanging section into two, to create two ears. Trim the two.

Hints and Tips:

If you are nervous about "spillage" you can use sewing stuffing or cotton wool to fill your sock bunny. You could also add a cotton ball as the bunny's tail.
